

## EXHIBITION

The Cairns Indigenous Art Fair Exhibition this year moves to Cairns Regional Gallery. The Exhibition will include artists from a diversity of geographies and styles, from the Torres Strait to South East Queensland, from traditional dhoeril/kep kep dari to contemporary new media. This brings a terrific vibrancy to the Exhibition, curated by Cairns Indigenous Art Fair Artistic Director Michael Snelling, allowing for direct political statement to sit alongside age-old traditional practice; for customary weaving practices to share the space with digital imagery; and for this to all be seen as of 'now', as relevant, contemporary and thriving.
